Soft Aqua battons
Profiled foils laminated in good condition
Caws grey trampoline
Refurbished black GP trampoline
Hulls Re painted /sprayed in around 2015
Original decks.
Cover, serviceable for another year.
Eurotrax trolley
Curved main sheet track.
Measurement certificate
A well sorted fast boat which when in the groove provides a useful turn of speed, While I have owned Unicorn 1091 she has been successful throughout my weight range of 70-100 kgs and a wide wind range.

£1800

Buyer of Unicorn 1091 has first refusal on the following:

Road trailer mild steel galvanised with a large aluminium box and cambered hinged lid
Fitted with rollers so the boat can be loaded/unloaded singlehanded.
The trailer fits a Unicorn and may fit other catamarans with adjustment.
Spare wheel
Lighting board /spanset with 7 pin plug
Adjustable mast support for a car or motorhome

Set of Battons
Blue Streak cruciform
Stiff and shaped, virtually as new with an even reduction of compression weights going down the sail.
Would suit a Grant Piggot or Caws sail
Fitted to an old caws sail

Needlespar mast
Appears to be stiff and in reasonable condition with some rigging

Needlespar mast
Soft and flexible

Front beam dolphin striker fitted and Rear beam (drilled)

Daggerboards (pair)Laminated
Strong but very heavy

Location Ferndown Dorset.
